

State of the White Bluff VFD

Hello Neighbors,

We thought we would drop you a line and let you know what is going on at White Bluff Volunteer Fire Department.

- **Emergency calls** (fire, search and rescue, vehicle accident, and medical)
 - 2021 - 163
 - 2022 - 70 (YTD)
- **First Responders**
 - Nine firefighters
 - One Paramedic, one Emergency Medical Technician, & three Emergency Care Attendants (all State Certified)
- **New White Bluff VFD Substation**
 - Partnership with Hill County ESD1 for responding to mutual aid fire calls outside of White Bluff.
 - County facility is located one mile north of White Bluff on FM 933
 - WBVFD vehicles: fire engine and brush truck
 - Hill County ESD1 vehicle: 2000 gallon tanker
- **New Fire Truck (pictured below)**
 - 2011 Pierce Arrow XT formerly owned by the City of Flower Mound
 - Contains foam dispensing capabilities which has up to five times the firefighting effectiveness of water alone
 - \$240,000 cost made possible by your generous donations and the White Bluff POA's program to address WBVFD's capital expenditures.

Looking ahead, the future of White Bluff VFD is bright as we take steps to grow with our community. We will need additional members and funding to accomplish this, so we ask that you visit our website (<https://whitebluffvfd.com>) and consider how you can be a part of our Team.
